Phone Number

Please list the names of the authors/creators who are NJSOPHE members (at least one is required to be considered for this award)

Material Summary Specifications

The material summary should be sent as a separate document and should not exceed 3 typed, double-spaced pages. It should include a discussion of the items described below, using subtitles provided and in the order listed.

1. **Title:** Material title and URL (if a website)
2. **Dates:** Approximate dates of implementation
3. **Description:** Description of the material and its overall purpose
4. **Audience:** Intended audience for the material
5. **Behavior:** Health behavior addressed by the material
6. **Theory/Data:** How the material was developed, including use of health education theory and/or needs assessment data
7. **Evaluation:** How the material was evaluated and the results of the evaluation
