

New Jersey Society of Public Health Educators (NJ SOPHE)
Presents a Webinar Learning Session:

What Every Health Educator Needs to Know About A.L.I.C.E Populations:

Asset Limited, Income Constrained, Employed

Thursday, February 28, 2019

1:00pm – 2:00pm

Program Objectives:

1. Learn about the challenges facing ALICE populations and the rates in New Jersey.
2. Learn how to navigate the ALICE website and long-form report.
3. Learn how to utilize ALICE data to inform health program development.
4. Learn about available resources and potential next steps for educators.

Target Audience: Health Educators, Students, Public Health Professionals

Presenter:

Ashley Anglin, PhD, Production Director, ALICE Project at United Way of Northern New Jersey
